DETAILED ACTION

1. This office action is in response to the applicant's communication received on November 5 2007.
2. Claims 1-38 are presented for examination.
3. Applicant's arguments with respect to claims 1-38 have been considered but are deemed to be moot in view of the new grounds of rejection.

Qualyle Action

This application is in condition for allowance except for the following formal matters:

In a conversation with the applicant's attorney, Andre Marais, and the Examiner on March 4, 2008. The Examiner and attorney Marais reached a tentative agreement with respect to the pending claims. The Examiner received a proposed claim amendment for the attorney. The proposed amendment included cancelled claims and newly added claims. The attorney and the Examiner agreed to the content of the proposed amendment. However, an official Examiner's Amendment could not be issued at this time because dependent claims 31 and 35 are still dependent on independent claim 1. Independent claim 1 was suggested as being cancelled in the proposed amendment. Therefore, the Examiner did not know how to treat these two

dependent claims. Thus, the Examiner is requesting that the applicants should file a formal amendment with the agreed upon changes and changes to dependent claims 31 and 35.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
